

## TEACHER TRAINING SUBJECT SPECIALISM

# TSST PHYSICS

### TSST Physics Training 2016-2017

Subject specialism training in secondary physics for non-specialist and returning teachers. Twelve free workshops and corresponding tutorials run by Twyford CofE High School approved and funded by the Department for Education. Workshops and tutorials are designed to enthuse and inspire non-specialists to take on physics teaching with more confidence or to supports teachers who wish to return to the profession after a period away from the classroom.
